

# GSAXcess® Announces Herman Miller Workstations Available June 13, 2016

The General Service Administration (GSA) in Atlanta, GA will excess one floor of Herman Miller workstations. The Herman Miller workstations are in useable condition. The Herman Miller workstations will be available in GSAXcess the week of June 13, 2016. Once the Herman Miller workstations are entered into GSAXcess, the internal screening for GSA is 5 days. After those 5 days the Herman Miller workstations are available for federal and state agencies request. The Herman Miller workstations are in usable condition, but due to normal use some parts could be missing. Some pictures of the Herman Miller workstations pictures are included in this announcement.

## AVAILABILITY OF WORKSTATIONS:

The purpose of the announcing the excess of the Herman Miller workstations now is to give agencies time to schedule a visit, consider cost to remove, consider agencies approval process, and to coordinate logistics for the removal period. The Herman Miller workstations removal period will be August 24, 2016 thru September 2, 2016.

## POINT OF CONTACT:

For any general questions about the Herman Miller workstations contact **Juan McLemore** at 404-331-3041 or [juan.mclemore@gsa.gov](mailto:juan.mclemore@gsa.gov).
